

## Publications

อ. ดร. นพวรรณท์ นาควิโรจน์

1. Wonglamsam A, Kaewkornpradit W, Nagaviroj N, Kanchanasita W. Effect of processing and curing procedures on residual monomer levels of denture base materials. M Dent J 2016; 36: 145-54.
2. Nagaviroj N, Wanitchanont K, Kanchanasita W, Wonglamsam A. Dimensional stability of compression and injection molding denture bases in long and short curing procedures. M Dent J 2016; 36: 155-63.
3. Nagaviroj N, Tapananon A, Kanchanasita W, Chitmongkolsuk S. The effect of blasting zirconia liner on microtensile bond strength of zirconia to layered and pressed veneers. M Dent J 2017; 37(2): 163-72.
4. Pukpuek P , Nagaviroj N, Kanchanasita W. Effect of surface sealant coating on flexural strength of provisional resin materials. M Dent J 2018; 38 (3) : 205-212.
5. Kotnarin N , Nagaviroj N , Kanchanasita W. The effect of staining solutions on the color stability of the provisional restorative materials Nichaphat M Dent J 2018; 38 (3) : 309-318.
