

Announcement of Mahidol University

Re: Tuition Fee Rates for Undergraduate Studies, Mahidol University

Doctor of Dental Surgery Program (International Program) (2nd issue) B.E. 2561 (2018)

In order to ensure that the registration and tuition payment of Mahidol University students are appropriate, the university therefore has determined the tuition fee rates for undergraduate students of Doctor of Dental Surgery Program (International Program) Faculty of Dentistry Mahidol University.

By virtue of clause 11 of Mahidol University Regulation on Administration of Budget and Finance B.E. 2551 (2008) and its amendments under the approval of Committee for Determining Rates of Collection and Allocation of Tuition Fees at the 7th/2017 meeting on 6th November, 2017 and the 1st/2018 meeting on 2nd April 2018, the President hereby issued the following announcement.

Clause 1 The statement in clause 1.1 of Mahidol University Announcement on Tuition Fee Rates for Undergraduate Studies Mahidol University, Doctor of Dental Surgery Program (International Program) B.E. 2559 (2016) shall be cancelled and the following statement shall be applied instead.

"1.1 Admission Fee (Only new students) 2,300 baht"

Clause 2 The following statement shall be added as Clause 1.11 of Mahidol University Announcement on Tuition Fee Rates of Undergraduate Studies Mahidol University, Doctor of Dental Surgery Program (International Program) B.E. 2559 (2016)

"Clause 2.11 Health Insurance for international students (per year) 3,500 baht"

Clause 3 In case the students with their student ID numbers before 61xxxxx and being enrolled before academic year 2018 have not paid for tuition fees, they shall pay for the fees in accordance with the Mahidol University announcement applied before this announcement.

This shall come into force from academic year 2018 onwards.

Announced on 2nd May 2018

(Professor Banjong Mahaisavariya, M.D.)

Acting President, Mahidol University
